

Included Power Supply:	100~240 Vac, 50/60 Hz, cULus certified
Power consumption:	5 watts
Number of LEDs:	2 LEDs
Average rated life:	50,000 hrs
Color temperature:	4,300° - 4,750° K (neutral white)
Flux:	531 lm
Efficacy:	118.7 lm/W
Color rendering index:	75
Included Dimmer:	3 step touch built into base
Finish:	aluminium silver, with compact black laminated base
Cord color:	Black
Cord length:	180cm (70" / 6')

**WARNING: Always connect the LED light to the power supply first and then connect the power supply to the mains, failure to do so may cause damage to the existing diode.**

There is no replacement bulb available for this light due to its life span average of 50, 000 hours  
Richelieu grants no warranty on LED lights if another power supply other than the one specifically prescribed for this product is used.  
Do not exceed the maximum wattage by connecting more lights than prescribe damage to the power supply may result.

Do not cut or splice wiring or the lighting system may be damaged and manufacturer's warranty is voided.  
The power supply has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified technician.  
Never use an extension cord unless the plug can be fully inserted. Do not alter the plug.
