RICING. ERGO "- TV Cart

500MTVC90 Mobile TV Cart

The 500MTVC90 Mobile TV Cart fits most 32"-55" TV's. Its tool-less tiltable VESA plate can be tilted up and down 10° to position the screen for an optimal viewing experience. Quick-release spring lock allows for adjusting effortlessly to your desired height. Four lockable casters keep the TV Cart easy to move and protect the floor from scratches and scuffs while moving or stopping. An equipment shelf provides an extra storage for small devices. Its integrated cable management helps to create a clean appearance.

Integrated Cable Management keeps everything organized

Quick-Release Spring Lock effortless adjusting height

ensures mobility and stability Max. 1540mm 60.625"
